

NEWSLETTER

Welcome

Welcome to our newsletter. It has been another brilliant week in school with lots of exciting learning happening all round. Our KS2 children really enjoyed their cinema trip on Wednesday, which was a lovely treat to say well done for all of the hard work we have seen so far. Our children in Year 5 and 6 also enjoyed a trip to Liverpool War Museum, where they learned about the impact of World War 2 on the city of Liverpool. We are really looking forward to many more trips this year for all year groups.

We are so pleased to see lots of our children reading at home each week and getting their reading records signed. Thank you for your continued support with reading at home. It makes such a difference. We are also starting to see improvements in our attendance. Please continue to do everything you can to get your children into school every day. Being absent from school has a big impact on children's learning and their friendships in school.

Thank you for your continued support. Have a lovely weekend!

The health impacts of exposure to cold weather will be worse than ever this winter, as we continue to deal with the impact of Covid-19, which can amplify cold weather-related health risks. This weather could also disrupt delivery of services, which may be under additional pressure due to the continued impact of the pandemic. More information and advice to help people to stay safe, warm and healthy during with extreme winter weather can be found at www.metoffice.gov.uk/weatherready and www.metoffice.gov.uk/weather/warnings-and-advice/seasonal-advice.
