## Welcome

Welcome back! We hope you all had a lovely, restful half term and enjoyed some time spent together. It has been wonderful to have our children back in school this week: we have seen hard work, enthusiasm and positive attitudes all round. This half term we are focussing on the value 'resilience'. This is such an important value for our children and one that makes a huge difference to our children's ability to cope with the challenges they face each day. We talk to children in school about showing an 'I can attitude' in everything they do - over the next half term we will be celebrating the children who show this in school. Please talk to your child at home about Rosie Resilience and encourage them to have that positive mental attitude that can make all the difference!

As tonight is bonfire night, please remember to stay safe and talk to your child about firework safety. We have included a safety tips poster as part of our newsletter. Please share this with your child at home.

Next week we have a special assembly for Remembrance day on Thursday at 10.45am. Members of the Royal British Legion will be coming into school and we will be holding a minute's silence. We are greatly looking forward to this and we would love for parents and carers to join us (weather permitting).

Have a lovely weekend!

## Strive to Achieve

## HOME READING

A huge well done to all our children who are aspiring to read at home each night! It is encouraging to hear so many children talking so positively about the reading they are doing at home. This daily reading practice is vital in ensuring children develop the skills they need to become confident and proficient readers for life. Thank you to all our parents and carers who continue to support us with our reading mission.

### REMEMBER.....

For every 3 nights your child reads at home, (and has their reading record signed), their name is entered our prize draw to win a brand-new book!!

## YEAR 5 AND 6 WAR MUSEUM TRIP

Thank you for the payments received via Parentpay regarding the visit to the War Museum for Year 5 and 6. If you haven't already done so, can you please activate your Parentpay account and submit your contribution. If enough contributions are not met, the trip may be cancelled.
