

NEWSLETTER

Welcome

Welcome to our weekly newsletter. We have had another brilliant week at school, full of children showing our values and excelling in their work.

We are really pleased to be opening our doors to more events for parents and carers to come into school. We have had our 'Come and Learn with us' sessions for parents and carers to come into school and learn alongside our EYFS children each week. These sessions have been fantastic and we have loved the positivity and enthusiasm shown by all parents and carers who have attended! We are looking to put on many more opportunities for parents and carers to come into school and get involved.

Finally, we would like to wish all of our Year 6 children our best wishes for SATs week next week. They have worked incredibly hard and we are already so proud of them all. Year 6, please remember that SATs do not measure your creativity, your art skills, your sporting ability, your all round knowledge, or who you are as a person. They do not measure your kindness, integrity, resilience, respect, aspirations or ability to work as a team. It is far more important the type of person you are, than what you know or can do.

Have a great weekend everyone.
