

NEWSLETTER

Welcome

Welcome to our newsletter. We are so proud of our children and all that they have achieved this week. We have had so many examples of children showing our school values throughout the week.

This week we have had our EYFS, KS1 and KS2 Sports Days. Each event was a success and it was fantastic to see children showing our values in abundance! We saw great collaboration on show, resilience, kindness and aspiration. Children really aimed high and pushed themselves. It was wonderful to see so much talent and skill on show. Thank you to all of the parents and carers who came along.

We also had our Nursery graduation this week. This was a wonderful event where we were able to celebrate the achievements of our nursery children. We are so proud of them all!

As we head into our final week next week, I would like to wish our Year 6 children all the very best for their final week at Halsnead. We are so proud of you all and are looking forward to celebrating your achievements and saying an emotional goodbye next week!

Have a great weekend everyone,

Both have been incredible members of our team and have given so much to our children in their time at Halsnead. We would like to thank them both for their dedication and commitment to our school and for the many happy memories they have given our staff and children.
