ENGLISH

In the first term we will be reading a story book called 'Lost and Found' by Oliver Jeffers.

We will have plenty of opportunities to find out about their adventures and to read and write using conjunctions. We will also be working really hard to make sure that we say our sentences out loud before we write them down with a capital letter at the beginning and a full stop at the end. We will be looking at learning new words to make our writing exciting and interesting!

MATHS

Year 1:

In our maths lessons, we will be learning about Place Value. We will look closely at numbers up to 10 and we will practice writing these numerals correctly. This will give us the opportunity to build on what we learned in Reception.

Year 2:

In our maths lessons, we will be learning about Place Value and looking closely at numbers up to 100. This will give us the opportunity to consolidate our learning from Year 1. We will focus on using our counting fluently during Arithmetic.
