

Spring 1 Value—Integrity

Spring 2 Value—Kindness

I will be learning...

ENGLISH

In Spring 1 we will be reading a story book called 'The Lion Inside' by Rachel Bright and Jim Field. We will have plenty of opportunities to read and write using newly introduced conjunctions. We will also be working really hard to make sure that we make our work interesting by using adjectives in Y1 and expanded noun phrases in Y2. We will then have a book that will not only help us to thrive when writing, but also think carefully about the environment.

MATHS

Year 2 will be introduced to multiplication and using the x symbol, statistics shape and fractions.

In Year 1 we will continue with addition and subtraction to 20 before moving onto place value to 50. After half term we will explore lots of different ways of measuring.

PSHE

This half term for PSHE, everyone in school will be concentrating on our 'Halsnead Values'. We will become more confident in being able to explain what our values are, what they mean, but more importantly, how we can show these everyday with help from our Values Characters.

SCIENCE

This term we will be exploring materials and animals. We will be developing our understanding of properties and the many uses of different materials. We will also look at life cycles of different animals.

History

Our topic in Spring 1 is Travel and Exploration. We will be looking at significant people such as Margaret Brown, Neil Armstrong and James Cook.

Art & D.T.

In Art we will be looking at the work of William Morris and creating our own pieces based on his techniques. We look forward to a whole school DT day on Textiles in Spring 2.

P.E.

In PE, we will be using choreography and becoming 'Creatures of the Night'. Please ensure your child has a full, **school PE kit**.
