ENGLISH

In English we will be reading a variety of different books, starting with Let's all Creep through Crocodile Creek.

We will be working on writing captions, labels, sentences and speaking in sentences and talking about the story in detail. We will be talking about our past experiences and applying them to our storytelling.

We will continue to practice writing letters and our names correctly.

MATHS

In our maths lessons, we will be exploring numbers to 10, looking closely at number bonds.

We will use different resources to support our learning starting with tens frames.

MUSIC

This half term for music we will be building a repertoire of songs linked to our themes and books. Our first performance will be linked to the Chinese New Year!

KUW

We will be developing our understanding of how life in this country is different to others. We will explore different celebrations from around the world, starting with Chinese New Year. We will investigate different seasons and the effects they have on our outdoors.

PHONICS

We follow the RWI programme. We will continue to practice all of set 1 sounds and focus on Fred talk and writing.

PSHE

This half term for PSHE, everyone in school will be concentrating on our school value Integrity. We are going to be just like India Integrity!

We will talk about and practice making good choices, even when no one is watching. Just like India Integrity we will take responsibilities for our actions and guide others to make good choices.
