I will be learning...

ENGLISH

This term, we will be reading *The Last Wolf* by Mini Grey. We will continue to develop our stamina when writing and the mastery keys we focused on before Easter. We will also be introducing contractions, homophones and new conjunctions that will improve our writing. Following this we will begin an important topic focusing on refugees.

MATHS

In our maths lessons this term we will be learning about time, volume and recapping addition, subtraction, multiplication and division. Next half term, we will focus on word problems and problem solving.

PSHE

This half term for PSHE, everyone in school will be concentrating on Relationships.

SCIENCE

During science this term, we will develop our understanding of animals and humans. We will begin to sort animals into different categories, before exploring different ways they can be grouped. Following this, we will focus on a famous scientist and the legacy that they have left.

HISTORY/GEOGRAPHY

We are looking forward to learning all about holidays from the past. We will compare them with typical holidays that we go on today. In Summer 2, we will learn about different weather around the world.

ART & D.T.

In Art we will investigate artwork by Henry Matisse, before creating our own interpretation of a collage. We are looking forward to having a full day of DT later in the term.

P.E.

PE will be on **TUESDAYS** and we will be covering tennis and rounders. Please ensure your child has a full, **school PE kit**.
