

We had so much fun in nursery during Autumn term. We went pumpkin picking and made vegetable soup.

I will be learning...

COMMUNICATION AND LANGUAGE

This term in nursery we will be working on our communication and language skills. We will be practicing speaking in full sentences. For example, "can I have a drink please?" "I like playing in the sand because it is fun."

ENGLISH

We will be reading the stories Goldilocks and the three bears, Were going on a bear hunt and The pirates are coming!

PLEASE READ EACH NIGHT WITH YOUR CHILD! *Don't forget you can take a story from our sharing library!*

PSHE

This term we will work on our school value integrity.

MATHS

In maths we will be focusing on the numbers 0-5. We will be singing lots of nursery rhymes to help us with this. We will be comparing lots of different objects and seeing which is heaviest and lightest.

KUW

This term we will be exploring lots of natural materials and using our senses to investigate them. We will be looking at the seasonal changes for winter and going on a winter walk. We will be Celebrating the Chinese new year and tasting lots of delicious Chinese foods.

Physical

In nursery we will be beginning our P.E sessions. These will be on a Thursday and children can come in to nursery in sports wear.

Spare clothes

- Please ensure your children have a spare set of clothes and underwear. We enjoy playing outside and exploring lots of messy play.

Termly challenge!

Our challenge this term is for children to independently put their coat on.

Happy New Year, we are so excited to continue to work alongside you to ensure your children get the best start in life.
