ENGLISH

In the first term we will be reading a story book called 'Look Up!' by Nathan Byron. We will have plenty of opportunities to predict, explore Space and to read and write in sentences. We will also be working really hard to make sure that we say our sentences out loud before we write them down with a capital letter at the beginning and a full stop at the end. We will be looking at learning new words to make our writing exciting and interesting!

MATHS

In our maths lessons, we will be learning about Place Value and looking closely at numbers up to 20. This will give us the opportunity to consolidate our learning from Reception. We will focus on using our counting fluently during Arithmetic.

PSHE
