PSHE

This half term for PSHE, we will be concentrating on 'being' and what makes us special.

I will be learning...

ENGLISH

In the first term we will be reading a story book called 'Look Up' by Dapo Adeloa.

We will be practicing how to correctly use punctuation and how to use conjunctions to bring two sentences together. We will work really hard saying our sentences out loud

MATHS

In our maths lessons, we will be learning about Place Value. In year 1 we will look closely at numbers up to 10 and we will practice writing these numerals correctly. In year 2 we focus on numbers up to 100. We will work really hard on our vocabulary e.g. comparing, greater than, less than, tens and ones.

Year 2:

In our maths lessons, we will be learning about Place Value and looking closely at numbers up to 100. This will give us the opportunity to consolidate our learning from Year 1. We will focus on using our counting fluently during Arithmetic.

SCIENCE

We will be developing our understanding of seasons and weather. We will explore big questions such as, what changes from season to season? How does the weather change? Is the weather typical for this time of year?

Music

This term we will be focusing on beats and we will be experimenting with glockenspiels.
