## I will be learning...

### COMMUNICATION AND LANGUAGE

We will have lots of opportunities to develop our communication and language skills. We will be practicing our listening skills. Our teacher will talk to us about lots of different things such as what we enjoy doing. This term is all about ourselves.

### ENGLISH

We will be reading a number of stories. Our first story is called Owl Babies. In this story the owl babies miss their mummy. She comes back. This is like when we miss our grown ups in school!

PLEASE READ EACH NIGHT WITH YOUR CHILD! Don't forget you can take a story from our sharing library!

### PSHE

We will look at our value Robbie Respect this term. We will focus on using our manners and looking after our nursery.

### MATHS

In maths we will be focusing on the numbers 0-5. We will be singing lots of nursery rhymes to help us with this such as five little ducks and five little specks frogs. Maybe you could sing these songs at home.

### KUW

During our sessions we will be learning all about ourselves and each others families. We will also be exploring the season autumn. We will go on some lovely walks and observe the changes over time.

### Physical

In nursery we will be developing our physical skills. We will be looking at different ways to move around. Such as jumping, skipping, running and hopping.
