

We had so much fun during Spring term.
We celebrated Chinese new year and tasted lots of delicious Chinese food. Thank you to all the parents and carers who attended are reading workshop it was wonderful.

I will be learning...

COMMUNICATION AND LANGUAGE

This term in nursery we will be practicing our listening skills in preparation for reception. We will be listening to longer stories and retelling our favourite traditional tales.

ENGLISH

We will be reading different texts all about "people who help us." We will begin to learn our phonics sounds in preparation for reception.

PLEASE READ EACH NIGHT WITH YOUR CHILD! Don't forget you can take a story from our sharing library!

PSHE

This term we will be looking at the topics relationship and changing me in our PSHE lessons.

MATHS

In maths this term we will be focusing on recognizing numerals to five and linking objects to it. We will be looking at patterns and creating simple patterns in our nursery environments. We will begin to represent numbers through making marks.

KUW

This term we will be learning all about the season summer. We will be looking at the lifecycles of plants and animals. This will include some special visitors coming to our nursery. We will be learning all about different jobs and talking about our own aspirations.

Physical

This term in P.E we will be focusing on the topics working together and dance. We will also be practicing our pencil control and cutting skills in provision.

Spare clothes

As the weather is getting warmer please ensure the children have spare clothing. We will be spending a lot of time outdoors and engaging in water themed activities. It is important children bring to school sun cream and a sunhat also.

Termly challenge!

Our challenge this term is for children to write their name!

Hello Summer!

We are sad that it is our last term together. However we are looking forward to a very busy and exciting term.
