

NEWSLETTER

Welcome

Welcome to our weekly newsletter. We have had another brilliant week in school, and we are so proud of what the children have achieved. So many of our children are working hard to show our school values in all aspects of school life.

We are also really pleased to see so many of our children reading at home and getting their reading records signed. This will make a huge difference and we thank you all for your support with this.

Please continue to ensure children are in school each day. Attendance is highly important and one day missed makes a huge difference on children's academic and social development. Any absence must be reported to school on the morning of the absence by phoning the school office.

Next week we have a wide range of exciting extra-curricular clubs starting for our children, both before and after school. We are so fortunate to have such dedicated and committed staff who have given up their time to put on a wide range of exciting clubs for our children. Please sign up to clubs and send letters back to school next week.

School will be closed on Monday due to the funeral of Queen Elizabeth II. We have spent time in school this week reflecting on the Queen and the impact she had on our country and the world.

We look forward to seeing you all on Tuesday!

Have a great weekend,

Mr Catt

Poetry Corner

A Poem for Thought

Each week we will be sharing a poem for you to read, practice and talk about at home. We hope you enjoy them! Here is today's from A.A. Milne.

Now We Are Six

When I was One,
I had just begun.
When I was Two,
I was nearly new.
When I was Three
I was hardly me.
When I was Four,
I was not much more.
When I was Five,
I was just alive.
But now I am Six,
I'm as clever as clever,
So I think I'll be six now for ever and ever.

Nasal Flu Vaccinations

Dear Parent/Carer,

Your child's annual flu vaccination is now due. This vaccination is recommended to help protect your child against flu. This year we will be offering the flu spray to those in Nursery to Year 6 on **Monday 26th September**.

This year Mersey Care's immunisation service has been asked by NHS England to offer the nasal flu vaccine to eligible children who attend a local authority nursery that is attached to a primary school. All children who are aged two or three years old on 31 August 2022 are eligible.

Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu.

The vaccination is free and is a quick and simple spray up the nose. Even if your child had it last year, it is recommended to have the flu vaccine again this year.

Please visit the below link to access further information and complete your child's consent form as soon as possible. The flu campaign is due to the start middle of September. Even if you don't want your child to receive their flu spray please still complete the form, as this will avoid further communications from our service.

If you are unable to complete the online form, please contact our team who will be happy to help. If after completing your child's form, you attend the GP or wish to amend their form you must contact the immunisation team directly and not your child's school.

Please see link below for a child friendly video on flu. You and your child may find it beneficial to watch prior to them being immunised.

Yours sincerely
