Welcome

10TH NOVEMBER 2023

It has been a fantastic first week back in school. As ever, there has been lots going on, including a visit from an external evaluation partner, who was very complimentary about our school. We have had visits to the cinema and Knowsley Safari Park this week – it is so important to us that, in addition to quality teaching and learning, children have opportunities for development and worthwhile experiences outside of the classroom too.

We are seeing an improvement with PE kits, but please can we remember that children should be coming into school on PE days in their correct kit. We will be making calls if children are not wearing their correct PE uniform.

Thank you to all our school community for their participation in our Remembrance Service – it is so important that we all take the time to reflect and show our gratitude to those who have served, and willingly-endured hardships so that we can live in peace.

We would also like to take this opportunity to congratulate Miss Spencer and her partner, Ben, on the arrival of their new baby boy: Luke James Matthews. All are well.

Have a great weekend everyone.
