## Welcome

5TH JANUARY 2024

Happy new year to you all. We hope that you have had a restful break and are ready for the year ahead. This half term, we will be focusing on India Integrity. Each week, during our Friday assembly, we will celebrate children from each class who have shown integrity – they may have been honest, made a good choice, been brave, shared their opinion, have shown that they care about doing the right thing. They may also have shown that they can reflect well and take responsibility for their actions.

As ever, we will continue to work hard on attendance. Your child's attendance has a huge impact on their learning and on their sense of belonging. We understand that there are occasions when children are unable to attend school. This must be communicated by telephoning the office and providing a reason for their absence. Any unexplained absences are unauthorised. If there is ever anything we can do to help your child improve their attendance, please do not hesitate to get in touch.
