## Newsletter 19th April

Hello all and welcome to the summer term. Children have been straight back into their routines – enjoying school and working hard.

We have had some really positive attendance this week, so well done to those children who have had 100% for the first week of the summer term.

Unfortunately, we have had some cases of chicken pox in our Early Years and Key Stage 1. Please see use the NHS website for further information on this:

<https://www.nhs.uk/conditions/chickenpox/>

Today, in response, to our parent survey around effectively communicating what your children are learning, we are sending out curriculum newsletters where we share what children will be covering this term.

We thank you all for your continued support with your child's learning in school and at home.

Have a great weekend all.

# REMINDER

All wrap around care is to be booked through the clubs Parent Pay App. Our numbers are capped so please remember to book 48 hours prior to the session.

All Afterchool clubs will start again next week.
