

## WELCOME

It has been a very busy week this week in school, particularly for our Year Six children. We are so incredibly proud of their resilience during SATs week and in preparation for the assessments. Children and staff have worked extremely hard to make sure that children perform their best and have the knowledge and skills they need to prepare them for the next stage in their education.

Next week, we will be celebrating our Value Stars for this half term, and we will be recognising positive attendance during our attendance assembly.

During Summer two, children will have the opportunity to enjoy an enrichment activity on a Friday afternoon. This will start on Friday 14th June and children will receive a certificate for completing each session and aspiring to improve a particular skill.

We hope you all have a lovely weekend.
