### SEN Appointments – Mr Owen – Thursday 4th July

We are seeing a significant increase in parents wishing to meet with Mr Owen to discuss their concerns around their child regarding Special Educational Needs. To try to accommodate parents, Mr Owen has booked out time on Thursday 4th July for 15 minute appointments between 8:15 – 10:00 and 2:00-4:15. An appointment can be made if you have specific SEND questions or concerns around your child and their development. This will be your opportunity to meet with Mr Owen in the Summer term and no more appointment times will be available until the Autumn term. Mr Owen will try to accommodate all parents that are interested in booking an appointment.

If you wish to book an appointment with Mr Owen, please contact the office who have access to the booking system and will be able to tell you what availability there is left.

Parents/carers...we need your help. We have a parent governor vacancy. Please contact the school if you are interested.

As well as this, we would like to start a parent/carer consultation group where we would meet informally at least once a term as an opportunity to share ideas, information and plans for school improvement. Again, if you are interested, please contact school. It would be brilliant to have our first meeting before we finish for the summer holidays.
