

WELCOME

The weeks seem to be rapidly disappearing and there is lots going on in school. Children in upper KS2 have been very motivated by their enterprise project and have enjoyed creating business plans and raising money for their upcoming trip; nursery are preparing for their graduation; children have been enjoying rugby sessions led by a professional and some children enjoyed an assembly all about water safety led by the RNLI. As well as this, children spent some time with their new teachers and support staff this week. It was a great opportunity to build relationships and for pupils to begin to familiarise themselves with their new class. We hope to see as many of you as possible on 17th July when parents/carers are welcome to pop into their child's new class to meet their new teachers and support staff. Also we have our celebration of work this Thursday where parents/carers are invited in so their child has an opportunity to share a piece of work that they are proud of. This is from 2:45pm onwards.
