

Once again, we would like to apologise for cancelling sports day and hope for brighter weather next year.

This week, we celebrated amazing end of Key Stage Two SATS results and are so proud of the pupils and the progress they have made throughout their time at primary school. We will send individual results with children's reports. The children will take these home with them on Thursday 18th July. Year one parents/carers will receive Phonics Screening Check results and year four parents/carers will receive results from the Multiplication Tables Check.

As well as great results, reception and year six children went on trips. In both cases they were a huge credit to the school and thoroughly enjoyed themselves. It was great to have our older children showing such maturity getting the train to Manchester.

A reminder that we break up on the 23rd Tuesday and finish at normal time.
