Friday 15th November 2024

This week has been filled with wonderful activities, moments of reflection, and celebrations of our pupils' talents and achievements.

Remembrance Service

On Monday, we held a very special Remembrance Service involving pupils from Nursery to Year 6. We were privileged to welcome visitors from the British Legion and our local Vicar, Andy, who joined us for this poignant occasion. Our Year 6 pupils beautifully read Flanders Field, capturing the solemnity and importance of the day.

Pupil Council Elections

This week, we embraced democracy with our Pupil Council elections. Pupils across the school had the opportunity to participate in the voting process, learning about the values of representation and choice. The results were revealed in today's celebration assembly—congratulations to our newly elected council members!

Visit to Whiston Council

Classes 5/6D and 6L demonstrated their impressive public speaking skills during their visit to Whiston Council this week. Their speeches reflected confidence and engagement, linking seamlessly with the themes of leadership and community from our Pupil Council elections. Well done to everyone involved!

National Nursery Rhyme Week

Early Years marked National Nursery Rhyme Week with a fantastic nursery rhyme show. The children were thrilled to perform for their families, who were equally delighted to watch. Research shows that nursery rhymes help develop literacy skills, improve memory, and foster creativity, making this celebration both fun and educational. A heartfelt thank you to our pupils, staff, and families for their contributions to this lovely event.
