"Come Read With Me" Success

Reception, Year 1, and Year 2 had a wonderful "Come Read With Me" session this week. Thank you to everyone who attended and to the staff for organising this event. Your involvement makes such a difference.

Research shows that reading with your child at home can dramatically improve their life chances by enhancing literacy skills, fostering a love of learning, and building confidence. Let's continue to make reading a priority at home.

Early Collections

We've noticed a significant number of children being collected before the end of the school day. While we understand that appointments are sometimes unavoidable, early collections can disrupt the office and Miss Stevenson's duties. Please ensure you bring medical evidence if your child has an appointment. Thank you for your cooperation.

Attendance and Punctuality

Attendance is improving, but we would like to remind everyone to work on improving punctuality. Arriving on time sets a positive tone for the day and ensures that children don't miss valuable learning opportunities.

Celebrating One of Our Parents

We are incredibly proud of one of our parents, Rachel Davies, who has been honoured for her dedication to growing Altrincham FC's girls' football section. Her voluntary efforts have made a remarkable difference, encouraging more girls to take up the sport. Congratulations, Suzanne, on this well-deserved recognition!

Playground Update

The new table tennis table on the playground has been a hit with the children. It's great to see them enjoying this addition, which encourages teamwork, coordination, and fun during break times.

NSPCC Number Day

We are delighted to be supporting the NSPCC by taking part in Number Day on Friday, 7th February 2025. The NSPCC needs our support now more than ever. By raising money, we can help fund vital services such as Childline, which is contacted by a child every 45 seconds.

Number Day is a fantastic opportunity to make maths fun and encourage a positive attitude towards the subject. The day will include exciting maths activities, and children are invited to take part in "Dress Up for Digits."

What to wear:

- An item of clothing with a number on it (e.g., a football shirt, cap, netball shirt, or even a onesie).
- Or get creative by dressing in a maths or numbers theme!

Donation: We are asking for a 50p donation per family to support the NSPCC. We hope everyone will join us in making this a special and impactful event.
