Welcome Back

We are delighted to welcome all of our pupils back after the summer break. It has been wonderful to see the children settling into their new classes and routines.

Our Focus on Aspiration

This term, we are focusing on the theme of aspiration, inspired by Andy Aspiration. Pupils are encouraged to set goals and work diligently to achieve them. You may wish to ask your child what aspiration means to them and what they hope to achieve. We believe that fostering aspiration is important both in and outside of school, and we enjoy celebrating achievements that pupils accomplish beyond the classroom.

Presentation and Pride in Work

We will also be recognising pupils who demonstrate care and effort in the presentation of their work. It is important that all children take pride in the work they produce.

Attendance and Punctuality

Let us begin the school year as we mean to continue by ensuring that all pupils attend school on time every day.

MCAS App

Please ensure you are connected to our new app, MCAS (My Child At School), which will be used for communication, ordering and paying for dinners, and accessing a range of other facilities. This system replaces ParentApp, ParentPay, and Family. We hope that this change will make communication more efficient and straightforward.

Class teachers will continue to use Class Dojo to encourage positive behaviour, communicate with parents and carers, and share photographs of the children's activities.

Uniform and PE Kit

We are very pleased to see so many children arriving at school looking smart. Please continue to support good habits by ensuring that children wear the correct school uniform and PE kit. School shoes must be black, including trainers, and the PE t-shirt must be white.

Homework and Reading

Children have received reading books and spellings this week. It has been wonderful to see so many pupils completing their homework and reading regularly at home.

Special Assembly

This week, we were visited by representatives from local housing developers. Pupils learned about the different jobs involved in construction and how to remain safe on a building site. Some children enjoyed trying on protective clothing.

Letters to Return

Five important letters will be sent home on Monday and must be returned:

Acceptable Use of Technology

Medical Information

Local Trips

Photo Permissions

Adults Collecting

Please ensure that all letters are returned promptly.

We hope you all have a lovely weekend. Please do not hesitate to contact us if you have any questions or concerns about how your child has settled into their new class and year group.
