and Commitment to homework and reading**

Remembrance Day

It was an honour to be joined by veterans and members of the Royal British Legion as we marked Remembrance.

Our school community came together to show respect and gratitude to those who have served, and those who continue to serve, in the armed forces.

Open Morning

We have an Open Morning for parents on Tuesday at 9:15am. Please see the attached flyer and share it with any families who may be considering Halsnead, regardless of their child's year group.

Punctuality Matters

We would also like to remind families about the importance of good punctuality. Arriving late means children miss valuable learning time and often have to enter lessons part-way through, which can be unsettling for them and disruptive for the class.

Lateness is also having a significant impact on our overall attendance figures. Please support your child by ensuring they arrive at school on time every day. A calm, punctual start sets them up for a successful day of learning.

Trips in Upper Key Stage 2

On Wednesday, children in Years 5 and 6 visited the Western Approaches WW2 Museum. They showcased fantastic knowledge and understanding throughout the day. They also took the opportunity to revisit rail safety by travelling into Liverpool city centre by train. Several passengers commented on how respectful and well-mannered our children were – a real credit to Halsnead.

Whiston Town Hall

Yesterday, 5-6D and 6L spent the day with the mayor at Whiston Town Hall. The children learned about responsible citizenship and the British value of democracy. We want all of our pupils to leave primary school knowing they can make a positive difference to their community and beyond

Coffee Morning

On Thursday morning, we will be holding our Parent/Carer Coffee Morning. Your attendance and feedback would be greatly appreciated. We will focus on the suggestions made in the recent survey sent to parents and carers.
