### Our value this half term: Respect Learning behaviour and Commitment to homework and reading

#### Enterprise Fair – Thank You for Your Donations

Thank you for your generous tombola donations – we are very excited and are now busily preparing for our Enterprise Fair on Wednesday.

#### Cinema Visit – Respectful Behaviour

Our children in Years 3–6 had a fantastic time at the cinema yesterday watching Paddington. They demonstrated the respectful behaviour we expect from Halsnead pupils and were a credit to our school.

#### Anti-Bullying Workshops – ‘Power for Good’

This week, children in KS1 and KS2 took part in anti-bullying workshops. The theme of this year’s workshop was ‘Power for Good’. The children explored the idea that every choice we make plants a seed. Through guided role play and collaborative storytelling, they reflected on how kindness and responsibility grow in everyday life. They discussed what it means to be a trusted friend, an inclusive classmate and a role model others can rely on.

#### Celebrating Our Play Leaders

Our play leaders in Upper Key Stage 2 have been absolutely fantastic – from organising games to supporting younger pupils and even volunteering to litter pick.

Some of them even completed a sweep of the cinema yesterday to ensure no rubbish had been left behind. Not only are they showing the value of respect in school, they are also demonstrating responsible citizenship in the wider community. We are incredibly proud of them.

#### Lockdown Practice – Wednesday Morning

In line with DfE guidance, all schools must have an invacuation (lockdown) procedure. As with fire drills, and in line with all schools in our trust – The Heath Family Academy – we practise lockdown procedures termly.

Staff will speak to children about it on the morning of the practice and make it very clear that it is only a drill. If you have any concerns, please speak with your child’s class teacher.

Keep your young person fit and healthy this flu season with the flu vaccination- it's one of the best ways to keep them healthy, reduce missed school days, protect their classmates and the whole family
