Our School Vision

At our school, we create a community where all belong, achieve and thrive.

This term, we continue to focus on our school value of Integrity – taking responsibility for our actions. Please take time to talk with your child about what integrity means and how they can show it both in school and beyond.

Phonics Workshops

Thank you to the parents who attended the Year 1 Phonics Workshop on Monday. We hope you found it useful and informative.

The Year 2 Phonics Workshop will take place on Monday at 2.00pm. We look forward to welcoming you.

After-School Clubs

It has been fantastic to see so many children participating in our after-school clubs. These activities provide valuable opportunities for children to develop skills, build friendships and enjoy learning beyond the classroom.

Attendance and Punctuality

We have seen some improvements in attendance and punctuality this week and really appreciate your continued support.

Please note that medical evidence will be requested for attendance below 95%. A child finishing the year with 95% attendance will still have missed 9 days of learning – almost two full weeks.

To encourage good habits, children who have been in school and on time from Monday to Friday will be entered into a raffle. Winners are drawn during Friday's Celebration Assembly – we look forward to celebrating today's lucky winners.

Kids Club (Wraparound Care)

Last week, our Kids Club was reviewed by the Knowsley Education Improvement Team, and we are delighted to share that the provision was highly praised.

Here is an extract from the visit note:

“On reintroduction to the space, it is clear to see how purposeful planning and carefully chosen resources are enhancing children's opportunities for meaningful play. Children interact naturally with peers as they engage in activities such as large-scale den building, drawing and small-world play. Older children gently engage with younger peers, demonstrating patience and consideration. Children chat socially on soft seating while others take time to unwind and rest in cosy corners.”

A huge well done to all staff for their commitment to providing a high-quality, nurturing and engaging wraparound offer for our children.

Dear Parents,

I am delighted to inform you that following the success of previous year's courses we are expanding the football coaching programme for the season. The course will run on a weekly basis EVERY SATURDAY during school term times.

All of our courses are run by F.A. QUALIFIED COACHES INCLUDING EX-PROFESSIONAL PLAYERS. All of our coaches have been DBS/CRB POLICE CHECKED. The course is open to boys and girls aged between 4 and 12. All abilities are catered for with total beginners introduced through FUN and confidence building practices. The course is tightly structured to ensure all aspects of football skills are developed.

At the end of the term(usually 10-15 weeks) every child will receive an engraved merit trophy and course certificate, with chances to win extra trophies including penalty shoot out, american shoot out and champions league competitions.

The cost of the course is £7.50 per week, which is payable every four weeks (£30) with the first payment due on week one. Parents are welcome to stay and watch however the club is fully supervised so children may be left in our care. We have the use of excellent facilities with the course held indoors in the large sports hall.

TO BOOK A PLACE ON TO THE COURSE PLEASE TEXT PRESCOT CHILD'S NAME & AGE + GROUP NUMBER (1,2or3)
