

Our School Vision

At Halsnead, we create a community where all belong, achieve and thrive

Half Term Value: Resilience

This half term, we are focusing on resilience. We are encouraging children to:

Believe in themselves

Try their best

Understand that mistakes are an important part of learning and growing

Tough Runner – Thursday 30th April

Linked to our value of resilience, this promises to be a fantastic and fun experience for all children. It was a great success last year and we are really looking forward to it again. Pupils will need to come to school in their PE kit.

Our mobile obstacle course transforms the school space into a full-throttle adventure. Children will take part in crawls, climbs, tunnels, balance challenges and surprise elements — all designed to build confidence, resilience and teamwork in a fun, safe environment.

Workshops

Thank you to those families who were able to join our phonics and multiplication workshops. Your role in your child's learning is incredibly important and greatly valued.

Attendance

A huge well done to 4K and 5/6D for achieving 100% attendance all week — this is fantastic!

Remember: being in school and on time helps every child to belong, achieve and thrive.

Uniform

Please follow the link to purchase branded uniforms ready for September. Non-branded items are also absolutely fine.

On PE days, pupils may wear school hoodies or their usual school jumper/cardigan.

From September, ties will no longer be part of our uniform.

As we move into the summer season, we are seeing an increase in unsafe footwear. Children must wear appropriate school shoes with summer dresses.

Sandals and jelly shoes are not permitted.

As a reminder, children should not wear necklaces or dangly earrings for safety reasons. Only small stud earrings are allowed.

Earth Day

We had a fantastic day celebrating Earth Day, with activities that helped children learn about sustainability and how we can all look after our planet.

Some of the wonderful activities included:

- Creative writing
- Salt dough globes
- Pledges to help the planet
- Playdough Earth models
- Planting activities
