

## Our School Vision

At Halsnead, we create a community where all belong, achieve and thrive.

Half Term Value: Resilience

This half term, we are focusing on resilience. We are encouraging children to:

Believe in themselves

Try their best

Understand that mistakes are an important part of learning and growing

## SATs Week

Our Year 6 children were phenomenal this week and we are incredibly proud of them. Not only did they showcase all they have learned throughout their primary school journey, they also demonstrated a fantastic attitude towards the assessments, showing resilience, maturity and aspiration throughout.

They are a real credit to themselves, their families and our school community.

## Week Commencing 8.6.26

Phonics Screening Check – Year 1

Please continue to practise the words that have been sent home with the children.

Multiplication Tables Check – Year 4

Any times tables practice at home will really help children prepare for the assessment. Using the soundcheck feature on TT Rockstars is a great way to support children. For all other year groups, regular practice on TT Rockstars or Hit the Button will help children to improve their recall of multiplication facts. By the end of Year 4, children are expected to know all multiplication facts up to  $12 \times 12$ .
