Together, we create a community where all belong, achieve and thrive.

Everything we do is driven by our commitment to ensuring that every child feels valued, achieves their potential and flourishes as part of our school community.

School Value Focus: Collaboration

We have seen pupils working together brilliantly across the school —supporting one another, sharing ideas and recognising that we achieve more when we work as a team.

Launch of our PTFA

We are excited to announce that we will be relaunching our **Parent, Teacher and Friends Association (PTFA)** next academic year.

A thriving PTFA can make a huge difference to school life by bringing families together, strengthening our school community and helping to provide additional opportunities and resources for our children.

We anticipate meeting approximately once every half term and would love to welcome parents, carers, grandparents and friends of the school who would like to get involved, whether you can offer lots of time or just a little.

If you are interested, please send us a message via ClassDojo or email inquiries@hps.theheathfamily.org.uk.

We look forward to working together to make our school community even stronger.

New Classes

Children have now been informed of their class for next year.

Our transition morning will take place on Wednesday 1st July, when pupils will spend time with their new teacher and classmates. This is an important opportunity to help children feel confident and excited about the new academic year.

Staff Farewells

As we approach the end of the academic year, we would like to recognise and thank three valued members of staff who will be leaving us this summer.

Mr Lenaghan

Mr Lenaghan will be returning to Northern Ireland with his wife, having successfully secured a teaching position there. Throughout his time at our school, Mr Lenaghan has made a significant contribution to our community. His high standards, professionalism and calm demeanour have had a positive impact on pupils, colleagues and families alike. He has consistently demonstrated a commitment to ensuring the very best outcomes for children and will be greatly missed by everyone who has had the pleasure of working with him.

Miss Thorneycroft

Miss Thorneycroft has been successful in securing a teaching position at a primary school in St Helens. During her time with us, she has built strong relationships with children and families, who have always valued her warmth, compassion and dedication as a teacher. She has been a much-loved member of our team, and we are confident that she will continue to enjoy a successful and rewarding career in education. We wish her every success in her new role.

Mrs Wills

After more than 30 years of making a difference to the lives of children, Mrs Wills has made the decision to retire from teaching. Throughout her career, her care, consistency and unwavering commitment to the children she has taught have been exemplary. Mrs Wills has touched the lives of countless pupils and families, leaving a lasting legacy through her dedication and service to education. We thank her for her remarkable contribution and wish her a long, happy and well-deserved retirement.

On behalf of the entire school community, we thank Mr Lenaghan, Miss Thorneycroft and Mrs Wills for their outstanding contributions and wish them all the very best for the future.

Lockdown Practice

As part of our regular safeguarding procedures, we will be carrying out our termly lockdown practice on Friday 3rd July. The children are familiar with these procedures, and the practice will be carried out calmly and sensitively to ensure everyone knows what to do in the unlikely event of an emergency.
