Together, we create a community where all belong, achieve and thrive.

Everything we do is driven by our commitment to ensuring that every child feels valued, achieves their potential and flourishes as part of our school community.

School Value Focus: Collaboration

We have seen pupils working together brilliantly across the school—supporting one another, sharing ideas and recognising that we achieve more when we work as a team.

Launch of our PTFA

We are delighted to announce that we will be relaunching our Parent, Teacher and Friends Association (PTFA).

Thank you to those parents and carers who have already expressed an interest in getting involved. We would love to welcome more members to help organise events, raise funds and strengthen our school community.

If you would like to be involved, please send us a message via ClassDojo or email inquiries@hps.theheathfamily.org.uk. We look forward to working together to make Halsnead Primary School an even stronger community.

Key Stage 2 SATs Results

Unfortunately, there has been a national delay in the release of Key Stage 2 SATs results. Results will now be issued on Thursday 16th July, which is also the final day of the academic year.

Year 6 pupils will receive their SATs results before they leave school on this day.
