Together, we create a community where all belong, achieve and thrive.

Everything we do is driven by our commitment to ensuring that every child feels valued, achieves their potential and flourishes as part of our school community.

School Value Focus: Collaboration

Warm Weather Reminder

As the warm weather continues, children are welcome to wear their school PE kits for the remainder of the term to help them stay cool and comfortable.

Sports Days

Our Sports Days, from Early Years through to Year 6, were a fantastic celebration of our school values. The children demonstrated great aspiration and resilience, and it was wonderful to see them encouraging and celebrating one another's achievements. These events are always a lovely opportunity to bring our school community together.

A huge thank you to Mr Lenaghan and Ms McDonough for all the hard work that went into organising the events. We were also incredibly proud of our Year 5 and 6 pupils, who showed kindness, responsibility and collaboration while supporting our younger children throughout the day.

Nursery Graduation

This week we also celebrated our Nursery Graduation. It was wonderful to recognise everything our youngest children have achieved during their time in Nursery as they prepare to take the exciting next step into Reception. We are incredibly proud of each and every one of them and know they will continue to flourish as they begin school.

Nursery and Reception Visit to Blackpool Zoo

Our Nursery and Reception children had an amazing visit to Blackpool Zoo this week. For many, this was a big adventure and a memorable experience. The children were a credit to the school, and we would like to thank our wonderful staff for making the trip possible.

Year 6 Enterprise Fair

Today, our Year 6 pupils are holding their Enterprise Fair. They have spent weeks planning their businesses, creating products, setting prices and calculating profit margins to raise money towards their reward trip. It is a fantastic opportunity for them to develop their financial understanding, creativity and collaboration skills, and we are looking forward to seeing all of their hard work come to life.

End of Year Reports

You will receive your child's school report early next week. If, after reading the report, you have any questions, please arrange to speak with your child's class teacher via Class Dojo

End of Term

School closes for the summer holidays on Thursday 16th July at the usual finishing time. We are looking forward to all of the end-of-year celebrations taking place over the coming week as we mark another successful year at Halsnead
