Belong, Achive, Thrive School Value Focus: Aspiration

A huge thank you to our staff, who have really gone the extra mile to make our classrooms feel warm, welcoming and ready for the year ahead. So much thought and care has gone into creating spaces where all children feel that they belong. It has been lovely to see the children settling into their new classrooms and getting back into school routines.

Crossing Patrol Officer

We have been in regular communication with the council regarding the possible relocation of our crossing patrol officer. Thank you to Terry Byron, governor and local councillor, for supporting us with these enquiries. Following a recent assessment, we have now been informed that, unfortunately, the crossing patrol officer will remain at Dragon Lane.

We understand that some parents and families may have concerns about this decision. If you wish to raise your concerns directly, you are welcome to contact the council. We have also had residents contact school with concerns about cars being parked in a way that blocks roads and access. Please help us to keep the area around school safe by parking responsibly and considerately.

PE Kit

Our school uniform policy continues to apply on PE days. We have noticed that some pupils have been coming to school in their own clothes rather than the correct PE kit.

Please support us by ensuring your child comes to school in the correct PE kit on their PE day.

Please also remember that Halsnead hoodies should only be worn on your child's PE day.

Our New Reception Families

Thank you to all of our families who attended the additional Reception Welcome Evening on Monday. It was lovely to welcome you into our school community and to have the opportunity to meet more of our new families.

Breakfast and After School Club

Places have been going quickly, so please book in advance to secure a place for your child. Bookings must be made at least 48 hours in advance.

Homework

Please continue to support your child with their home learning by completing reading, phonics and spelling, and maths-related homework.

Attendance and Punctuality

We are continuing to see some improvements in attendance and punctuality, which is great to see. Thank you for your support with this. Good attendance is an important part of helping our children to belong, achieve and thrive.

We have received a number of requests for holidays during term time. Please remember that we follow Knowsley Council's policy regarding term-time holidays. We deliberately have two weeks off in May and early June, giving families the opportunity to take holidays outside of the standard holiday period, when prices may be lower.

Have a great weekend, and thank you all for your continued support.
